Information

Completing all the questions in this form:

- (a) may satisfy the requirements of the Resource Management Act 1991 for an application for resource consent. Environment Canterbury will inform you if further information is required.
- (b) will assist with the prompt processing of you're application - any omissions in the form may result in significant delays and costs while the required information is obtained.

Charges

Your application must be accompanied with the deposit charge specified in the "Summary of Resource Consent Charges" or at www.ecan.govt.nz. When your application has been processed, if the actual and reasonable costs incurred by Environment Canterbury exceed the deposit charge, you will be invoiced for the balance. If the cost of processing an application is less than the deposit charge paid, the balance will be refunded. You can require the provision of an estimate of the charge for processing your application. If an application is declined all charges must still be paid.

All accounts are payable by the 20th day of the month following the date of invoice. If the account is not paid within 30 days after the due date, our debt collection agent may charge you a fee equal to 25% of the unpaid portion of the account, but no less than \$25.00. Where the total debt collection costs, legal and other costs arising from the collection of any amount owing exceeds the debt collection fee charged, our debt collection agent is also entitled to recover such additional costs. All Environment Canterbury charges must be met by the applicant. This may include time spent discussing issues with the applicant and any other parties involved in the process.

3. LEGAL AND PLANNING MATTERS

Chapter 3 of the proposed Canterbury Natural Resources Regional Plan sets out policies and objectives relating to air. In order to satisfy the rules of the Plan, please answer the following questions:

- (a) Will you ensure that unsuitable fuels are not used in the burner, including the following which are prohibited:
 - Wood with a moisture content greater than 25% dry weight
 - Wood that is painted, stained, treated with preservatives or other chemicals
 - Chip board
 - Materials containing metals, including cables
 - Materials containing asbestos
 - Rubber
 - Waste, including animal waste or sludge
 - Synthetic materials such as plastic and batteries
 - Waste oil and re-refined oil
 - Peat Yes No

- (b) Will you ensure that the operation of the burner will not cause objectionable or offensive smoke or deposition of smoke particles? Yes No

If you answer no to either of these questions, please provide brief details below:

4. CONSULTATION

- (a) Have you identified any person(s) that could be adversely affected by the proposed discharge?
 - Yes No N/A
- (b) Have you obtained the written approval of these person(s)?
 - Yes No N/A

A written approval form is available at www.ecan.govt.nz or Customer Services. If applicable, please provide a map that indicates the properties of people who have provided their written approval to your proposal.

5. DESCRIPTION OF THE AFFECTED ENVIRONMENT

- (a) Is the site: Flat Rolling Hill Alpine Other
- (b) Please describe the affected environs, including any relevant information about the surroundings for example the location of nearby schools, parks, sports grounds, churches or hospitals and any other combustion sources. A map of the site may help.

6. ASSESSMENT OF ACTUAL AND POTENTIAL EFFECTS

(a) **Air Quality.** Please provide a written statement on whether effects on the air quality are considered minor. This could include a summary of reasons such as scale of activity, land use, stack height, wood fuel only used, distance to nearest boundary etc.

(b) **Nuisance Effects.** Please provide a written statement on whether nuisance effects are considered minor. This could include a summary of reasons such as land parcel size, surrounding land parcel sizes, distance to the nearest house, mitigation measures etc.

7. ADDITIONAL MITIGATION MEASURES

Please provide details of any mitigation measures proposed that have not been included elsewhere in this report (eg for a woodburner this might include a description of the proposed fuel).

PART C: OTHER INFORMATION

1. PREVIOUS CONSENTS

(a) Have you held any previous consents at this site for this activity or any related activities? Yes No
 If yes, please supply the consent reference number(s) or consent holder's name (if different from current applicant's name).

CRC: _____ Name: _____

(b) If your application is to replace an existing consent which has not yet expired, do you agree to your application being processed outside the timeframes set out in the Resource Management Act (Section 37(5A) approval) but before the expiry of your existing consent? Yes No N/A

2. NOTIFICATION

If your assessment of effects has shown that adverse effects on the environment are likely to be more than minor and/or there are people who may be adversely affected from whom you are unable to obtain written approval, you may wish to request that your application be publicly notified in order to avoid possible delays in the processing of your application.

The final decision to notify or not notify an application will still be made by Environment Canterbury.

Please note that an application cannot be notified unless there is sufficient information for the notice that makes it clear what is being applied for, and how it might affect the environment (including people).

I request that my application is notified. (check box)

3. DURATION REQUESTED

Please specify the duration sought for your consent(s): _____ years _____ months.

Note: The maximum duration allowed under the Act is 35 years.

4. START DATE

Resource consents lapse five years after their commencement date unless the consent has been given effect to or an application is made to Environment Canterbury to extend this period.

When do you propose to start the activity? _____ (date/month/year)

5. ERRORS AND OMISSIONS

When you receive your Resource Consent Documents please check that the details are correct. You have a 15 working day period after the decision is notified to allow you to object or advise of errors or omissions without cost.

ADDITIONAL NOTES TO APPLICANTS

1. Your application must be publicly notified unless Environment Canterbury is satisfied that the adverse effects on the environment will be minor and written approval has been obtained from every person Environment Canterbury considers may be adversely affected by the granting of your application (unless Environment Canterbury considers it unreasonable to require the obtaining of every such approval). Enclosed is a form "Written Approval of Persons Likely to be Adversely Affected" to help you obtain such approvals.
2. Section 128 of the Resource Management Act 1991 sets out the circumstances in which Environment Canterbury may review the conditions of a resource consent. Under Section 128(c) Environment Canterbury may undertake a review at any time if the application contained any inaccuracies which materially influenced the decision made.
3. The information you provide with your application is official information. It will be used to process your application and, together with other official information, assist in the management of the region's natural and physical resources. Access to information held by Environment Canterbury is administered in accordance with the Local Government Official Information and Meetings Act 1987, and Privacy Act, 1993. Your information may be disclosed in accordance with the terms of these Acts. Public access is also provided to consent information via Environment Canterbury's website. It is therefore important you advise Environment Canterbury if your application includes trade secrets and/or commercially sensitive material.
